

6358 Auden St, Houston, TX 77005

Stately brick home on a large lot in Southside Place. Great downstairs floor plan with a grand foyer flanked by large living areas and high ceilings. A sweeping staircase with a grand arched window is the central feature and adds a timeless elegance. Gorgeous hardwood floors throughout the living areas, staircase and upstairs landing with plush new carpet in the bedrooms. Beautifully updated kitchen (2022) with a large Sub-zero refrigerator and wine fridge, Electrolux double ovens and a chef-inspired 6-burner Wolf stovetop. Exquisite designer tile back splash and Quartz countertops. Large Quartz counter faces the family room which overlooks the outdoor patio/kitchen with resort-style pool/spa. Guest quarters above the garage include a full bath and kitchen area. Third floor flex room is being currently used as a work space but could be the 5th bedroom, sitting area, and full bath. Outdoors has been enhanced with a mosquito control system and artificial turf in the backyard. Recent roof.
